

BUFFALO TRACE

DISTILLERY

January 28, 2015

Dear Friend of Buffalo Trace,

Many thanks for your purchase of Sazerac 18 Year Old Kentucky Straight Rye Whiskey. Last year our Sazerac 18 Year Old release was named American Whiskey of the Year by *Whisky Advocate* Magazine.

We hope you are very pleased with the whiskey contained in these bottles. In distilling and aging this product, we have attempted to make some of the finest American whiskey ever made.

The glass bottle we've chosen showcases the whiskey's deep and rich colors with a classy look. The back label even provides a full product history and description. Every bottle has been hand bottled and labeled to ensure the highest quality finish. The tissue paper has been added to protect the finished package.

On the reverse side of this letter you'll see a fact sheet about the barrels selected for this year's vintage. Hopefully you and your customers will find the intricate details of these particular barrels as interesting and compelling as we do.

In closing, thank you again for your purchase of this very limited supply of Sazerac Rye 18 Year Old. If we at the Buffalo Trace Distillery can be of any further assistance, please do not hesitate to make contact at the following numbers or e-mail addresses:
